### Overview

The Tilman DT6814LP Dump Trailer (81.5" x 14') is designed to handle large, heavy loads with ease. With D-rings, optional pull out ramps and combo gate, this machine will effortlessly haul construction/farm equipment and material. The twin telescopic two-stage hydraulic cylinders provide the thrust and stability for dumping the maximum payload through the complete dump cycle.

### Details

- 1 Twin telescopic two-stage cylinders
- 2 Pull out ramps
- 3 Lockable toolbox for small tool and battery protection
- 4 Hand control box (20' cord for dumping convenience)
